## WELSH LANGUAGE POLICY

Pembroke Design Limited is committed to the principle that the Welsh and English Languages should be treated on the basis of equality, so far as we are reasonably able to do so. We are committed to providing our services to the public bilingually wherever possible and appropriate.

It is the intention of Pembroke Design Limited to make constant progress towards achieving this ambition, and wherever possible to work gradually towards a fully bilingual service, giving attention to achievement of this aim to areas where Welsh is mainly spoken.

The scope of our commitments in this policy should be interpreted reasonably - they are limited to activities and services in Wales or which are delivered to people living in Wales, and also limited to activities and services which we are able to control or influence.
